what's the
battery
life?

autonomous
drivig seeems
great ,but id it
necessary?

whats the
customer
service like?

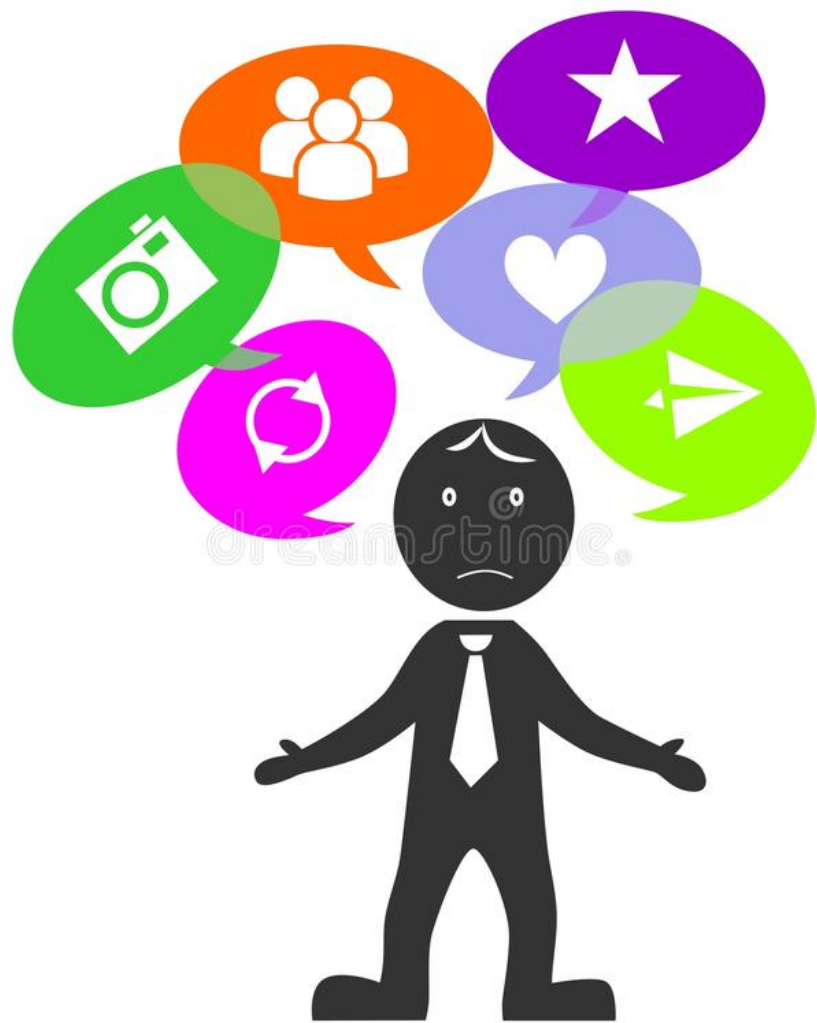

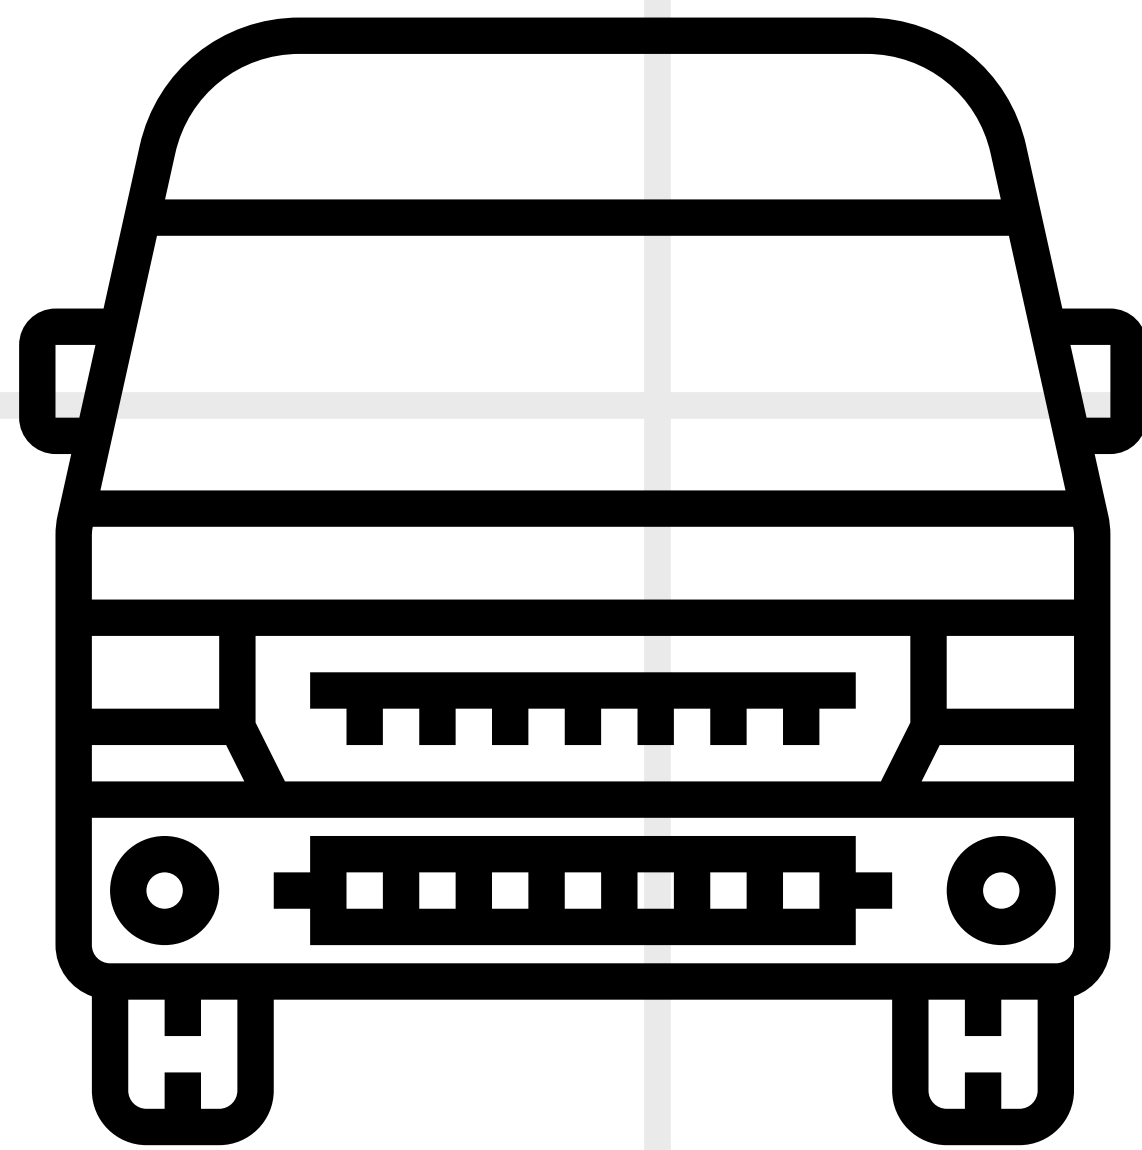

FEELS

will i have
complete
control?

feels
comfortable

the car feels
safe

safe to leave
my car as
charged point
overnight

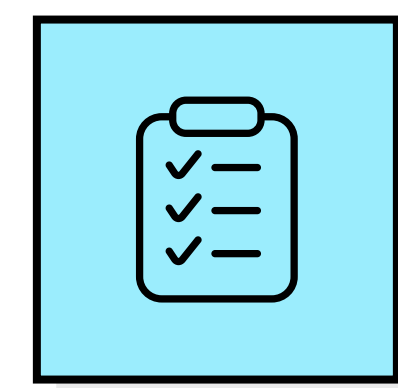

did my kids
leave charge
in the vehicle?

expensive is
it worth it?

wants an
electric
vehicle

is the cost of
ruig the car
also expensive
?

does

road trips
with family

reasearching
te benefits of

charging the
battery at
social charging
points

will use the
car on
weekend trips
